OLD AND NEW WAY

Hyomel, the Latest Scientific Discovery For the Cure of Catarrh.

The discovery of Hyomel has wrought a wonderful change in the treatment of catarrh.

Prior to three years ago the medicines ordinarily employed in the cure of this disease were nauseating drugs and worthless tonics. In some instances they benefited, but the improvement was not lasting.

With Hyomel you take into the air passages of the throat and head a balsamic air that goes to the minutest cells, effectually killing all germs and microbes of catarrh. It enters the blood with the oxygen, killing the germs in the blood, and restores health to the whole system. Many astonishing testimonials have been received from those who have been cured by Hyomel.

A complete outfit costs but \$1.00, and includes an inhaler, dropper and sufficient Hyomel for several weeks' treatment.

Perhaps the strongest evidence that can be given to doubters is the fact that Ricketts & Wells have so much faith in Hyomel that they sell every package under a positive guarantee to refund the money if it does not cure.

Now is the time to begin the use of Hyomel.
